With reference to your letter cited above I write to report as follows:

The Survey numbers proposed to be included in the schedule were actually included in the Surveyed and Demarcated Block but not mentioned in the schedule at the time of submission of the original draft section 4 notification for publication by the Government which is an omission. Now after field verification by the Forest Settlement Officer, South Kanara, Mangalore it was brought to my notice that ~~the~~ these Survey numbers were also actually included in the Block in addition to the Survey numbers notified in the original section 4 notification published earlier. In order to avoid legal complications at the later stage, these left out S.Nos. to be published in the Gazette in the form of addendum.

Hence I request you to issue the addendum at an early date and kindly intimate the Compiler, Mysore Gazette, Bangalore to supply 25 copies of the printed addendum to this office for further action.
